UNIVERSAL Virtual Golf Set

FOR PLAYSTATION MOVE AND NINTENDO Wii

WI-UVGS

The PlayStation® Move and Nintendo® Wii are at the top of their game when it comes to life like virtual golfing, but to truly feel the weight and power of your swing you'll need the Virtual Golf Set from CTA Digital. The Virtual Golf Set comes with everything you'll need to fully experience your favorite golfing titles for PlayStation® Move and Wii. The set includes a practice mat with rotating golf ball, an attachment clip for the Move motion controller, and an attachment clip for the Wii remote. Once the controller is tightly affixed under the grip of the club, you're ready to go!

The Virtual Golf Set is compatible with all PlayStation® Move and Wii golfing titles including Jon Daly's ProStroke Golf™, and Tiger Woods PGA Tour 11™. The set's attachment clip fastens tightly to most golf clubs, and features a conveniently placed trigger which functions as the T button on the Move Motion Controller or the B button on the Wii remote. The rest of the controller's buttons are also accessible on the outside of the handle. So with CTA Digital's Virtual Golf Set for the PlayStation® Move or Nintendo® Wii you can enjoy all the same feelings of driving, chipping, or putting the ball on the virtual green that you would on the real one.
